## Invitation

**Prof. Jun Heon Lee**

Chairperson, ISAG 2025  
Chungnam National University, Republic of Korea

Dear Colleagues,

It is with great pleasure that I invite you to the 40th International Society for Animal Genetics (ISAG) Conference, which will be held from July 20 to 25, 2025, in Daejeon, Republic of Korea. This prestigious conference will provide an exceptional platform for scientists, policymakers, professionals, and students from various interdisciplinary fields of animal genetics to come together, share their latest research developments, reconnect with old friends, and foster new collaborations.

The ISAG 2025 Conference, centered around the scientific theme "Genome to Phenome for New Challenges," aims to gather over 1,000 participants from around the globe, creating an enriching environment for discussion and exchange of ideas. Key programs will include plenary speeches, workshop sessions, poster sessions, a welcome reception, an opening ceremony, a gala dinner, an award ceremony, and tours, ensuring that all attendees can engage in meaningful dialogues about advancements in animal genetics.

We are excited to host this significant event in the beautiful city of Daejeon, known for its rich scientific and educational resources. The conference will not only highlight cutting-edge research but also provide a unique opportunity to experience Korean culture and hospitality.

I encourage you to mark your calendars and join us for what promises to be an inspiring and fruitful conference. For the latest updates and additional information regarding the program and registration, please visit our official conference website.

We look forward to welcoming you to Daejeon in 2025!

Warm regards,

*Jun Heon Lee*

Chairperson, ISAG2025 Local Organizing Committee
